## Members Of Congress Take 75-Day Breather And Listen To Voters

By JACK BELL

Washington, Oct. 20 (P)—With a 75-day breather ahead, members of Congress went home today to listen to the voters' ideas about how to run the country.

Behind them left, along with their accomplishments, an imposing array of issues settled only temporarily—or not at all—in a 289-day session of the Democratic controlled Congress.

But it had been a busy, if sometimes an acrimonious, session and the lawmakers greeted adjournment joyfully on both sides of Capitol Hill.

There was some horseplay; there were a few notes of criticism. And there was a congratulatory message from President Truman to send the legislators on their way.

The president noted in letters to House Speaker Rayburn and Vice President Barkley, the Senate's presiding officer, that it had been a long, hard session. Then he added:

"I am confident that the American people will agree that the results have been well worth while."

In the House chamber, three girls who work for Congressional committees serenaded the representatives with "The Eyes of Texas" and "Down By Old Mill Stream."

In the Senate, Senator Donnell (R-Mo.) slyly poked fun at Barkley for his reported romance with Mrs. Carleton S. Hadley, St. Louis widow. Barkley responded in kind.

## Coal Contract Talks Hopeless

Federal Intervention Probable Next Step

By HERB LITTLE

White Sulphur Springs, W. Va., Oct. 20 (P)—Soft coal contract talks were bogged down so deeply today that operators said the word "hopeless."

It looked as if the stalemate was headed for Washington and federal intervention.

However, United Mine Workers officials were not so pessimistic about the outlook for signing a new contract to end the month-old strike of 378,000 miners.

No announcement had yet come from the Federal Mediation service. But director Cyrus S. Ching indicated previously he would enter the coal strike again if there were no progress this week.

Lewis' contract demands are known only in general terms. He wants an increase in the 20-cents-a-ton royalty which supports the UMW welfare and pension fund and a cut in the work day from eight to seven hours without loss of pay. There also have been hints that he wants some increase in the present \$14.05 basic daily wage.

**Marquette Trooper And Bride Robbed Of Clothes In Detroit**

Detroit, Oct. 20 (P)—State Trooper Max Little of the Marquette post brought his bride to Detroit yesterday for a two-week honeymoon.

On their way to the home of the bride's sister, they stopped at a Highland Park department store to buy a gift.

A thief broke into their car and stole their entire wardrobe. Little estimated the value at \$500.

"Can you imagine a honeymoon without even a clean shirt?" Little asked.

**HANGS SELF IN JAIL**

Cheboygan (P)—George Fenner, 21, hanged himself in the Cheboygan county jail Wednesday. He was awaiting a hearing on a charge of buying beer for minors.

**Pioneer Now 100**

Grand Rapids, Oct. 20 (P)—Henry M. Sleeper, a resident of Western Michigan for 98 years, will observe his 100th birthday anniversary here Friday. His parents brought him to Michigan from New Hampshire when he was two years old.

## Uniform Relief Plan Proposed In 83 Counties

Welfare Chiefs Will Draft New Rules

Lansing, Oct. 20 (P)—A legislative committee reported improved prospects today for uniform granting of direct relief throughout Michigan's 83 counties.

Senator Colin L. Smith (R-Big Rapids), chairman, said members of the State Association of County Welfare Directors had agreed to draft uniform rules and regulations to standardize relief practices in all counties.

He said the state has no right to impose standards on counties and has avoided doing so because of an unwillingness to interfere with local administration of relief. But, he said, the present lack of uniformity is troublesome.

Smith reported the directors at a conference yesterday endorsed the following committee proposals to eliminate relief "chiseling":

1—Abolish the necessity for counties to charge back to other counties the cost of relief for non-resident recipients.

2—Require three years' residence, not one as now, to become eligible for relief.

3—Define by law how long temporary relief may be granted.

4—Fix by law how much blood relatives must contribute to the care of indigents; make step-parents legally responsible for care.

5—Forbid relief to a woman with a husband in another state unless she obtains a divorce or separate maintenance decree.

6—Require relief applicants entitled to alimony to ask assistance of court officers to get that alimony.

7—Require relief applicants to prove they are not eligible for unemployment compensation benefits.

8—Make it a crime for a social worker to grant relief knowing fraud to be present.

9—Require applicants to swear out warrants in non-support cases.

10—Require the attendance of two members of the house and senate appropriations committees whenever the state welfare commission considers paying a county more than 50 per cent of its relief costs.

11—Require each county to adopt some method of obtaining reimbursement from relief recipients.

Smith said his committee also would recommend that welfare applicants undergo medical examinations to determine employability, except in certain cases involving mothers of small children.

## Death Blow Near For Nationalist Armies In China

By WAYNE RICHARDSON

Hong Kong, Oct. 20 (P)—The Communists stabled westward today in what may be the death blow to the Nationalists on China's mainland.

Chinese newspapers here reported that two government armies were routed in a Red thrust at Kweilin in the southwest. There was no confirmation.

Red Gen. Lin Piao appeared to be trying to split the shattered Nationalist domain in two with a quick knockout of its last big mainland force—the 200,000-man force of Gen. Pai Chung-hsi.

Pai's contract demands are known only in general terms. He wants an increase in the 20-cents-a-ton royalty which supports the UMW welfare and pension fund and a cut in the work day from eight to seven hours without loss of pay. There also have been hints that he wants some increase in the present \$14.05 basic daily wage.

**Tieups Watched By White House**

Truman Hopes Strike Mediation Works

Washington, Oct. 20 (P)—President Truman suggested today that labor and management get together and settle the coal and steel strikes in the interest of themselves and the country.

The president told a news conference he had no present plans for seizure of either industries and he still hopes that mediation will be successful.

The sooner employers and employees come to a conclusion and go back to work, he said, the better it will be for the country and themselves.

The president said he was in continuous and close touch with the conciliation moves.

In dealing with the steel dispute, the president sidestepped the emergency provisions of the Taft-Hartley Act which calls for an eventual court injunction against a strike.

Instead, he set up a three man fact finding board without power to recommend a settlement.

**PIONEER NOW 100**

Lansing, Oct. 20 (P)—Notice of a \$100,000 slander suit has been filed in the Lappeer circuit court by a Royal Oak legislator against Miss Monica Kenney, superintendent of the American Legion Outer Lake Children's Billet.

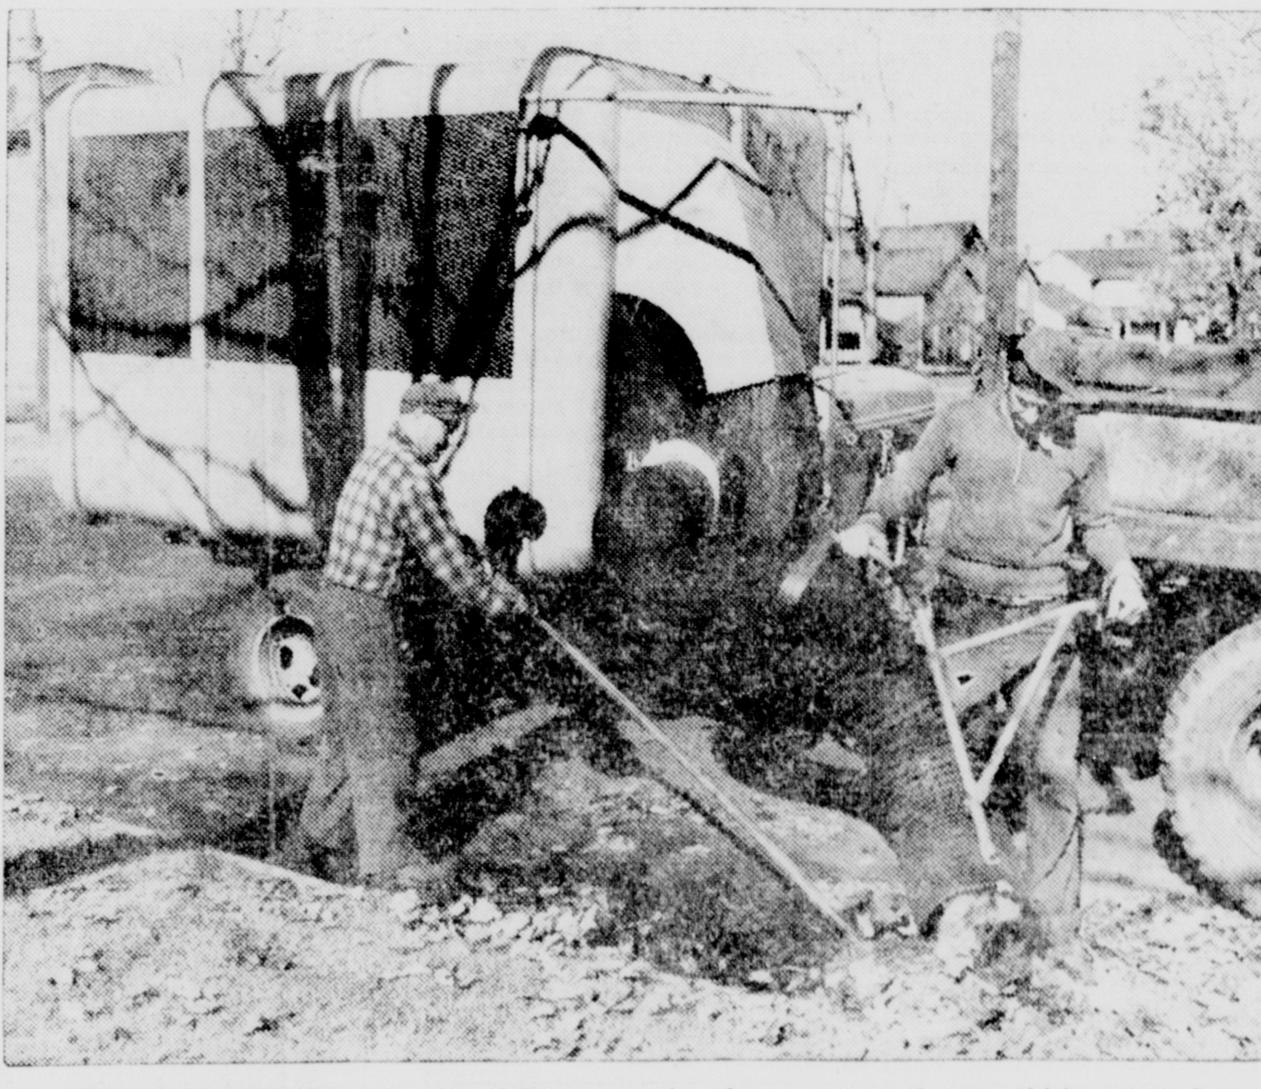

Rep. William S. Broomfield (R-Royal Oak) said he had filed suit by notice and that additional papers would be filed soon by his attorneys, Harry N. Dell and Malcom Heber of Royal Oak.

Broomfield accuses Miss Kenney

of untrue and damaging statements about his handling of a legislative committee investigating the Billet.

**Royal Oak Lawmaker Sues Legion Billet Head For \$100,000**

## United America Can Lick World, Says Eisenhower

**NEW LEAF LOADER**—The city of Escanaba's new leaf loader is shown in action in this picture. The machine is capable of handling eight cubic yards in a single load. The leaves are hauled to the city compost near the sewage treatment plant and will be used for fertilizer on city parks and city grounds. The machine

is a huge vacuum cleaner which gathers leaves considerably faster than was possible by hand methods formerly employed. The city is asking residents not to burn leaves but to pile them on the streets, where the leaf loader will pick them up.

## Shutdown Near In Auto Plants

**Big 3 Feels Pinch In Coal And Steel**

Detroit, Oct. 20 (P)—The "Big Three" of the booming car industry got ready today for shutdowns in their plants by mid-November if the steel and coal

strikes go on.

Ford announced it would have to suspend assembly of cars on Nov. 15. It was estimated this would idle 100,000 workers.

General Motors and Chrysler—the two other firms make up the "Big Three"—gave no dates for halting assembly lines but they laid plans to curtail output of cars.

A GM spokesman said some plants, beginning the week of Oct. 31, will be forced to cut operations to four days a week.

Chrysler indicated that after Nov. 1 there could be curtailment in all divisions except Plymouth. Production of Plymouth will be continued "for a few days after Nov. 1," a spokesman said.

The auto industry is on the brink of achieving its greatest production year in history.

Already more than 5,100,000 cars and trucks have been turned out. This compares to the 1929 record total of 5,358,420.

A total of 4,200,000 passenger cars have been built this year. Up to this date in 1948 the volume was 3,000,000.

There are an estimated 600,000 cars in dealers' hands or in storage. These might not last to the end of the year, however, if assembly lines were idle for as much as three weeks.

## Dope Peddlers Want Money For Christmas

Los Angeles, Oct. 20 (P)—Alex Inojosa, 31, and his wife, Betty, 25, gave a new excuse when they were arrested in a street corner on a charge of selling a "spoon" of heroin for \$70.

They told Inspector R. A. Sanford of the State Narcotics Bureau:

"We were just trying to make a little money for Christmas."

In Athens, well-informed intelligence officers said privately that Russia has placed five divisions along the Yugoslav borders in the last month.

(These sources — American, British and Greek — said Russia apparently feared that Tito was secretly backing plans for a revolt in the isolated Soviet satellite of Albania.)

The charges, printed in the official newspaper Borba, said Red army troops have moved into Romania. Fortifications are being built under Russian supervision along the Yugoslav borders in Bulgaria, Hungary and Albania, the paper declared.

The impression prevails among officials now that the honeymoon is over, so far as the period of high speed congressional action on important foreign affairs is concerned.

From here on the going is expected to be rougher, especially for proposals to send billions abroad and particularly when there is no dramatic point of conflict between this country and Russia.

The Rev. Claude T. Keck, 40 Cody, Wyo., minister, was born on the west slope of the Big Horn mountains 50 miles east of Lovell, Wyo. He disappeared Monday on a deer hunting trip.

Light snow started falling early today in western sections of the Dakotas, Nebraska and Kansas.

**Boy Freezes To Death Near Montana Ranch**

Shelby, Mont., Oct. 20 (P)—The Rocky Mountain states listed three dead today from the first heavy snowfall of the season.

Bruno Krystowiak, 11, froze in a snowbank near his ranch home at Shelby, Mont. Miss Bernice Bowen, 45, of Golden, Colo., died in a snow-caused traffic accident west of Denver. Ice roads were blamed for an automobile crash near Buffalo, Wyo., that killed seven months old Margaret Ann Heustis.

Clearing weather in Montana, Wyoming and Colorado promised good hunting for thousands of big game hunters. The snowfall drove elk, deer and bear down from the high elevations.

The Rev. Claude T. Keck, 40 Cody, Wyo., minister, was born on the west slope of the Big Horn mountains 50 miles east of Lovell, Wyo. He disappeared Monday on a deer hunting trip.

Light snow started falling early today in western sections of the Dakotas, Nebraska and Kansas.

**Boy Freezes To Death Near Montana Ranch**

Shelby, Mont., Oct. 20 (P)—The Rev. Claude T. Keck, 40 Cody, Wyo., minister, was born on the west slope of the Big Horn mountains 50 miles east of Lovell, Wyo. He disappeared Monday on a deer hunting trip.

Light snow started falling early today in western sections of the Dakotas, Nebraska and Kansas.

**STREET SIGNS STOLEN**

Pentwater, Mich., Oct. 20 (P)—More than 50 street signs erected last spring by Pentwater Chamber of Commerce, Boy Scouts and business men have been stolen by vandals.

Pentwater Chamber of Commerce is offering \$50 reward for information leading to the arrest and conviction of the vandals.

# CAB Charged With Trying To Cover Error In Okehing Wisconsin Central

## Briefly Told

Rummage Sale—St. Patrick's Guild is holding a rummage sale Friday from 10 a.m. to 8 p.m. in the basement of the church.

Bark River Club—The Bark River Home Economics club will meet at Harris high school tonight for a lesson on glass etching.

Masonic Service—Regular meeting of Delta Lodge No. 193, F. & A. M. will be opened this evening at 7:30 p.m. at the Masonic temple and Masonic services will be held at the Anderson funeral home at 8:30 p.m. for late Marshall Lillquist. All members are requested to be present at the appointed time.

Reckless Driving—Fred Leighton, 505 S. Sixth street, was arrested by local police Wednesday night on a charge of reckless driving after the car that he was driving struck a street light at the intersection of Fourth street and Lake Shore Drive. He will be arraigned in justice court Friday.

Auto Accident—Car driven by Hazen Hengesh, 417 S. 10th street, and George P. Budinger, Jr., Willow Road, collided at the intersection of Eighth avenue south and 23rd street Wednesday afternoon. Hengesh was travelling south on 23rd street and Budinger was travelling west on Eighth avenue. Budinger was ticketed for failing to stop at the arterial.

Car Recovered—An automobile owned by Chapman Smith, 1110 Eighth avenue south, was stolen from the city hall parking lot Wednesday and was later found abandoned in front of a tavern on Third avenue north.

## Conifers Recover From Winter Kill

Widespread injury to conifers in the northern Lake States in the winter of 1947-48 by premature warm weather and subsequent freezing temperatures caused considerable concern among residents of and visitors to these areas. Less well known is the extent to which injured trees recovered.

In a technical note issued October 20 the Lake States Forest Experiment Station, St. Paul, Minnesota, reports information gathered on recovery of 2865 red pines and Scotch pines in experimental plantations on the Superior National Forest, Minnesota. Sixty-six per cent of the trees in these plantations sustained foliage damage from "winter-kill" during the winter of 1947-48.

Most of the pines with less than half their foliage injured recovered satisfactorily, while most of those with three-fourths or more of their foliage injured did not. Those with one fourth or less of their foliage injured made excellent recovery.

Atom-Power Planes Foreseen For Future By Aircraft Maker

London, Oct. 20 (AP)—Atomic-powered planes "in the foreseeable future" is the vision of Glenn L. Martin, chairman of the board of the American Aircraft company bearing his name.

Martin makes the prediction in the 1949-50 edition of the authoritative Jane's "All the World's Aircraft," published today.

Martin wrote, however, that big planes powered by atomic energy would be "appallingly expensive." Pilotless guided missiles, he declared, will be perfected to "operate at such high efficiency that the piloted fighter (plane) will be largely obsolete."

Jane's also lists a new Russian single-jet fighter with a reported top speed of 652 miles an hour.

Washington, D. C., Oct. 20 (Special to Escanaba Daily Press)—Upper Peninsula Congressmen Potter and Bennett are far from pleased by the Civil Aeronautics Board action yesterday in dismissing the request of the Upper Peninsula Air Transportation committee to suspend the temporary certificate of Wisconsin Central Airlines.

A public hearing, however, was granted on the application of Nationwide for new routing "as promptly as possible consistent with orderly procedure at a time and place hereafter to be designated."

"Grossly Unfair"

CAB stressed "the reasonable expectation that Wisconsin Central will inaugurate service on or before December first."

In a joint statement Bennett and Potter declared their intention of protesting the CAB order as "grossly unfair to the people of the state." Charging the board with attempted "whitewash" of the Wisconsin Central case to cover CAB's own error in certifying the airlines without adequate proof they were "willing and able" to serve the area, the congressmen contend the UPAT committee petition had been "completely ignored."

"Lame Excuses"

They further criticized the order for failure to "require" Wisconsin Central to furnish service or to set a penalty in case of failure in this regard.

Pointing out that in two years Wisconsin Central had furnished nothing but "lame excuses," the congressmen stressed the fact that Wisconsin Central operation figures, including government subsidy, showed the enterprise economically unsound—whereas Nationwide has given service in the past year without financial aid.

Actually, Wisconsin Central has never started flights on its Upper Michigan routes—the main bone of contention in the U. P. committee's action favoring Nationwide's application.

The CAB is trying to justify a mistake it made in the first instance by continuing to whitewash the Wisconsin company's efforts to further stall the people of the Upper Peninsula," Bennett and Potter said.

The CAB order, they said, does not require Wisconsin Central to set up service but "simply expresses a hope they will do so by Dec. 1."

Upper Michigan interests are backing Nationwide Airlines for Federal permission to operate in the area. Nationwide operates there now under state authority.

Most of the pines with less than half their foliage injured recovered satisfactorily, while most of those with three-fourths or more of their foliage injured did not. Those with one fourth or less of their foliage injured made excellent recovery.

### ISAAC PEPIN

Funeral services for Isaac Pepin were held at 9:30 this morning at Sacred Heart church in Schaffer with Rev. Wilfred Pelletier offering the requiem high mass. Burial was in Schaffer cemetery.

Pallbearers were six nephews of Mr. Pepin, Wilfred, Victor, Lester, Harry and John Pepin and John Dubord.

Those attending the rites included Mr. and Mrs. Eugene Pepin and Donna and John of Chicago; Mr. and Mrs. Henry Johnson and Mr. and Mrs. Norman Carlson, Marquette; Mr. and Mrs. Neil Gordon, Niagara, Wis.; Mr. and Mrs. Joseph Lucier, Mrs. Jane Laraby and Irene Eagle, Frampton; Mr. and Mrs. Joseph Heraux, Mrs. Georgiana Lafrenier and Mrs. Robert Marolf, Iron Mountain.

## Death Of Owosso Widow In Cottage Remains Mystery

Sturgis, Mich., Oct. 20 (AP)—A wholesale quiz of 105 rural residents had failed today to provide a clue to solve the mystery surrounding the death of a 76-year-old widow in a flaming cottage.

The body of Mrs. Laura Miller, wrapped in kerosene-soaked blankets, was found last Thursday after fire had swept her lonely farm home.

State Police Detective Victor Beck of the Paw Paw Post reported this conclusion after laboratory tests in East Lansing.

Mrs. Miller was dying from a blow on the head as flames engulfed her. Tests showed she was still breathing during the fire.

A blood-stained axe was found in the fire-scarred bedroom of the cottage.

Among persons questioned by officers in the rural area outside Sturgis where Mrs. Miller lived were Calvin Edwards, 37, administrator of the Miller estate, and Aaron Clark, 33, of Mendon.

State Police said they submitted voluntarily to lie detector tests and were cleared of any implication in the case.

## Fair Deal Program Makes Some Headway In 81st Congress

Washington, Oct. 20 (AP)—Here's a score sheet on what the first session of the 81st Congress did with President Truman's "fair deal" program:

### Domestic Affairs

Taxes—Planned for \$4,000,000,000 tax hike ignored. Repeat of federal levies on oleomargarine approved by House, but no action in Senate.

Housing—Approved long range program to spur construction of low-rent public housing units and provide slum clearance aids.

Labor Laws—Repeal of Taft-Hartley act and substitution of revised Wagner act sidetracked by House. Raise in minimum wage standard from 40 cents to 75 cents an hour approved, but undetermined number of workers removed from wage-hour act coverage.

Anti-Inflation—Request for stand-by wage and price controls, plus allocation authority refused. Congress also let federal curbs on installment credit and bank loans expire in June.

Social Security—Expanded coverage and increased benefits approved by House, but no action in Senate.

National Health Insurance—No action in either chamber. Both houses approved extension of federal aid in hospital construction program.

Education—Plan for federal aid to states passed by Senate, but bottled up in House Labor committee.

Rent Controls—Rejected request for two-year extension but approved a one year continuation on a state's right basis whereby curbs can be removed by local action.

Farm Program—Shelved the Brannan plan, and approved a compromise price support program which generally provides for a continuation of wartime props under major crops.

## Workshop Meeting Of School Boards Held

School board members of Delta county in meeting Monday and Tuesday night at Rapid River high school discussed school problems in a workshop conducted by George Gilbert, Marquette, regional supervisor for the state department of public instruction.

The Monday night meeting was devoted to a discussion of bookkeeping methods for school lunch programs; and Tuesday night the discussion was on problems of student transportation.

Earliest New England houses were built of thick planks instead of logs as is generally believed.

and other friendly nations united against Communism was passed.

Foreign Affairs

Economic—Second year's installation on Marshall plan aid to Europe approved; reciprocal trade agreements program renewed without restrictions voted by last congress; international wheat agreement ratified by Senate; export controls extended for two years; plan to aid development of backward areas of world with government-backed private investments not acted on by either house.

Displaced Persons—Bill to let more homeless Europeans into U. S. passed by House. Senate deferred action until next January.

Global Defense—The 20-year mutual aid treaty between 12 North Atlantic nations ratified by Senate; a \$1,314,010,000 military aid program to help build up defenses of Atlantic pact members.

Rent Controls—Rejected request for two-year extension but approved a one year continuation on a state's right basis whereby curbs can be removed by local action.

Farm Program—Shelved the Brannan plan, and approved a compromise price support program which generally provides for a continuation of wartime props under major crops.

Social Security—Expanded coverage and increased benefits approved by House, but no action in Senate.

National Health Insurance—No action in either chamber. Both houses approved extension of federal aid in hospital construction program.

Education—Plan for federal aid to states passed by Senate, but bottled up in House Labor committee.

**Marshall Lillquist  
Dies Unexpectedly  
Of Heart Attack**

Marshall Matthew Lillquist, 35, lifelong resident of the community, died unexpectedly of a heart attack Wednesday afternoon at his home, 1115 Ninth avenue south. He was born in Wells, June 19, 1914, and was a graduate of Escanaba high school. He married Josephine LaMere of this city May 5, 1938 the ceremony taking place at Bethany Lutheran church.

Mr. Lillquist was a faithful member of Bethany parish and was particularly active in church affairs, serving as a Sunday school teacher and as an usher. He was secretary of the Lions club and also was affiliated with Delta Lodge 195, F. & A. M. He was buyer for the electrical department of the Delta Hardware Co.

Surviving are his wife and one son, Robert, 7; one sister, Mrs. Signe Nerbonne, and one brother, Hugo Lillquist, Escanaba.

The body is at the Anderson funeral home where friends of the family may call until 12 noon Friday. Private funeral services will be conducted by Rev. Gustav Lund at 2 at Bethany church and burial will be in Gardens of Rest cemetery.

**Distribute Surplus  
Apples To Schools  
And Institutions**

Surplus Michigan apples, four carloads of them, will be distributed to schools and public institutions in a six-county area in which Escanaba is the distribution center, it was reported today by Hagle Quarstrom, Delta school superintendent, who is director of the distribution of surplus commodities in the area.

The apples were purchased recently by the federal government from Lower Michigan growers, who have an unmarketable surplus this year.

One carload has already been received for the six-county area that includes Delta, Marquette, Alger, Dickinson, Iron and Menominee counties. Three more carloads are to be received later.

The apples to the schools are distributed on the basis of four pounds per pupil per month, and go to all schools whether they are sponsors of school lunch programs.

Institutions supported by public funds, including Pinecrest sanatorium at Powers, also will receive an allotment of apples in the distribution.

**Rep. Potter Urges  
Steps Be Taken  
For Ship Safety**

Washington, D. C.—(WNS)—That his resolution for a commission made up of three members from Canada and three from the United States to study navigation safety problems on the Great Lakes would be passed was the opinion expressed by Rep. Charles E. Potter of Michigan.

Rep. Potter called attention to the burning of the Canadian Great Lakes passenger ship Noronic.

"Since that fire, I have become greatly concerned over our apparent lack of fire safety precautions on some of our lake passenger vessels," Rep. Potter said. "As a result of some investigation, I have prepared and am introducing a joint resolution which authorizes the President to invite Canada to join with us to establish a joint American-Canadian commission consisting of three members from each country to study navigation safety problems, and to recommend to each country action which will better protect the passengers on these vessels."

Probably life of fabrics at points of wear now can be determined electrically and accurately without injury to the goods. The rate of wear is determined by measuring the "electrical capacity" of the cloth in use at regular intervals.

## Munising News

Washington P. T. A.  
Installs Officers

Munising—The Washington unit of the Parent-Teachers association installed its new officers Monday night at its first meeting of the year. They are: Mrs. Lula Wilson, president; Mrs. Dorothy Kinzer, vice-president; Miss Anna Kostella, secretary; Mrs. Ruth Christman, treasurer; Mrs. Lula Vardon, historian.

Lunch was served after the business meeting by Mrs. Ruth Latvala and Mrs. Ray Kinzer.

Munising Concerts  
Drive Nears Close

Munising—The Munising Community Concert association's week-long drive for memberships for the coming season will end at 5 o'clock Saturday evening. Miss Gladys Pascoe, campaign director, said yesterday. No season memberships nor individual concert tickets will be issued after that time.

Munising had more than 400 members enrolled last winter and the goal of the present drive is 500. If that number of adult membership is reached, Miss Pascoe said, it will assure a series of three concerts, and also the appearance here of the famous Trapp Family Singers.

C-C Secretaries  
Meet In Munising

Munising—Secretaries of chambers of commerce of the Upper Peninsula will hold a meeting here Nov. 5. Jeff Bodette, secretary of the Munising-Alger

Chamber, has announced.

The program will include a business meeting at 2:30, a dinner at 6:30 and a general discussion period. The meeting will be at the Sylvan Inn.

## HOY FUNERAL

Tremay — Funeral services were held at 2 Wednesday afternoon at the family home here for Leonard John Hoy, 17-day old son of Mr. and Mrs. Leonard Hoy, who died Monday in St. Luke's hospital, Marquette, after a four-day illness. The Rev. Homer Story officiated. Burial was in Tremay cemetery.

Lunch was served after the business meeting by Mrs. Ruth Latvala and Mrs. Ray Kinzer.

Only from your own garden can you get sweet corn to match Fairmont frozen fresh corn. It's from America's finest sweet corn country, and is frozen immediately after it is picked to hold all the luscious sweetness. For a real treat, always get Fairmont.

**Now in Your Grocer's frozen Food Cabinet**

# Cake! 3 Minutes to MIX it! 3 Ways to BAKE it!

**Mary King's 3-MINUTE, 3-WAY CAKE**

You've always chosen King Midas Flour for bread baking because it gives you the same high volume, true-type loaf each baking day. Now you'll want to try Mary King's exciting new 3-Minute, 1-Bowl cake! Here's a choice of cakes—cup, loaf or layer—and a lightning method! Remember, this Mary King recipe has been developed especially for King Midas Flour, so be sure it's King Midas you have at hand when you start 1-bowl mixing!

**3 MINUTE, 3-WAY CAKE**

**INGREDIENTS:**

- 2 cups sifted enriched King Midas Flour
- 8 teaspoons baking powder
- 1 egg white
- 1/2 cup sugar
- 1/2 cup vegetable shortening, room temperature
- 1 cup milk, room temp.

**INSTRUCTIONS:**

- Beat ... for 1 1/2 minutes at low speed in electric mixer, or 150 strokes by hand
- Add ... for 1 1/2 minutes at low speed in electric mixer, or 150 strokes by hand
- Beat ... for 1 1/2 minutes at low speed in electric mixer, or 150 strokes by hand

**FOR LAYERS:** bake in 2 well-greased, floured 8-inch pans for 30 minutes at 350° F. FOR CUP CAKES, bake in well-greased muffin pans for 20 minutes. FOR LOAF CAKE, bake in a well-greased 15 x 9-inch pan for 40 minutes.

## Harnischfeger Hires Workers

Operations Stepped  
Up In Escanaba

Hiring of additional workers was begun by the Harnischfeger corporation this week in another of a series of steps to expand its operations in Escanaba. Baxter Mitchell, general manager, announced today.

Working crews at both the truck crane plant near the U. P. state

"Sold the first day" said Jones

IN ESCANABA, TOO . . . IT'S

One Pound Net Weight  
Swift's Brookfield  
Pure Pork Sausage  
For Goodness' Sake Keep Cold

America's favorite... rich in  
Vitamin B and high-quality proteins!

When you buy coffee it pays to be

Vacuum packing insures the freshness of coffee until the vacuum seal is opened. After that, air causes the coffee to begin losing freshness. Therefore, coffee should be purchased in a size container that will be used within a week. About 40 cups of coffee beverage, rich in flavor and aroma, as well as strength, can be obtained from a pound of coffee... so

If your family uses a great deal of coffee, or you entertain often, it's ECONOMY-WISE to buy the two-pound SIZE of Hills Bros. Coffee.

If you average about six cups of coffee daily in your home, it's WISE to buy the one-pound SIZE of Hills Bros. Coffee.

If only two or three cups are made daily in your home, it's WISE to buy the half-pound SIZE of Hills Bros. Coffee.

Everybody likes  
Hills Bros. Coffee!

Fairgrounds and the cab unit on Stephenson avenue are being increased this week. Increased production is also contemplated at the A-C welding equipment plant in the old Steele-Wallace building on Stephenson avenue. As soon as more space is acquired, the corporation plans to manufacture D-C welding units in Escanaba.

Expansion of facilities at the truck crane plant is under way. Footings for the new addition are being put in and other concrete work is being rushed toward completion before winter weather sets in. The new addition will be used for metal fabrication work. It is scheduled to be ready for occupancy in March.

## School Officers To Meet Oct. 27

Conference Will  
Be Held Here

The biennial meeting of Delta county school officers will be held the afternoon and evening of Oct. 27 in the marine room at the House of Ludington; it was announced today by Hagle Quarnstrom, county school superintendent.

Dorr Stack and A. S. Haima, Lansing, of the office of the superintendent of public instruction; and George Gilbert, Marquette, regional supervisor for the department, will be present.

The meeting will open at 3 p.m., followed by a 6 o'clock dinner and an evening program.

At the afternoon meeting there will be a discussion of school administrative problems, and changes in the state laws affecting the schools. This will be conducted by Stack and Gilbert.

The evening program will be a discussion of curriculum problems, and the presentation of a film on the subject, directed by Haima.

Invitations have been extended to all school people and others, but the evening meeting will also be open to interested persons who have not received a special invitation.

Only one mail pouch was ever lost by the Pony Express.

Napoleon instituted the French Legion of Honor in 1802.

### Briefly Told

Airplane Mechanic — Pvt. Joseph G. Duchaine of Flat Rock has entered the Airplane and Engine Mechanic's Course at Sheppard Air Force Base, Wichita Falls, Tex., the home of the Air Force's only technical school for training airplane mechanics. Pvt. Duchaine attended the Escanaba junior high school, and is 22 years old. While at Sheppard Air Force Base, Pvt. Duchaine will receive intensive training designed to indoctrinate him with a thorough knowledge of the maintenance and repair of airplanes and engines. Upon graduation he will be a qualified mechanic capable of performing mechanical service on every type of aircraft in use by the USAF.

Invitations have been extended to all school people and others, but the evening meeting will also be open to interested persons who have not received a special invitation.

Only one mail pouch was ever lost by the Pony Express.

# Thank You, Mr. & Mrs. N. M. Davies of Congers, New York

We're Sure That Millions of Farmers and Consumers  
Feel Just as You Do!

One of the wonderful things about Americans is their great sense of fair play. Ever since the anti-trust lawyers announced their intention of putting A&P out of business, tremendous numbers of people like Mr. & Mrs. N. M. Davies of Congers, New York, have deluged us with letters, wires and phone calls.

These people are telling us, as Mr. & Mrs. Davies do in the following letter, why they like A&P and why they don't want to see this company destroyed.

For 90 years this company has tried to build a sound business on the basis of giving consumers more good food for their money and giving farmers better markets for their products.

It is heartening to know that the public approves of the job we have done . . . to know that our policy of fair, honest dealing has won us the friendship of millions of consumers and farmers.

We will always be grateful to all our good friends who have offered us their help.

We are proud to live in a country where such things can happen.

THE GREAT ATLANTIC &

PACIFIC TEA COMPANY

## Farmers Urged To Treat Posts

### Aspen, Soft Maple May Be Utilized

Farmers unable to obtain fence posts of durable species at reasonable prices can get fairly good substitutes by treating their own posts of aspen, soft maple, and possibly elm with zinc chloride. That's the advice issued by the Lower Peninsula Forest Research Center, a branch of the Lake States Station, a branch of the Lake States Station, showed that on the well-drained site 76 per cent of the aspen, 93 per cent of the soft maple, and 100 per cent of the elm posts were still serviceable and still held more than 75 per cent of the staples used to attach barbed wire to them. The posts on the swamp land did even better. All were still serviceable, and the number of staples missing was negligible.

Because the total number of elm posts and the number of aspen placed on the swamp site were few, the Station points out that the test results for these species are rather inconclusive. But the record made by soft maple on both sites and by quaking aspen on the well-drained upland indicates that home-treated fence posts of these species provide good service at low cost.

### WEATHER WOLVES

Wolves in London's Regent's Park Zoo have a reputation as weather forecasters. They break out in a frenzied pandemonium of howls about 12 hours before periods of wet weather.

### Germfask

#### Church Services

Germfask, Mich.—Mass at St. Therese church Sunday Oct. 23, 10:30 a.m.

Methodist church services Sunday Oct. 23, 4 p.m. Sunday school 10:30 a.m.

#### Personals

Mr. and Mrs. Frank Oaken spent Saturday at Marquette on a shopping trip returning home in the evening accompanied by their daughter Frances who is employed at Marquette and will spend two days with her parents.

## Rev. Friberg Is Polio Case Gladstone Pastor Acutely Ill

The Rev. Bertil A. Friberg, 33, of 607 Michigan avenue, Gladstone, today is receiving treatment at St. Luke's hospital, Marquette, for polio. He was taken there yesterday afternoon and was admitted to the hospital at 4 o'clock.

His illness was described as acute but so far without paralysis.

Rev. Friberg is pastor of the First Baptist church at Gladstone, and has been teaching English in the Trenary high school.

His case is the eighth to be reported in Delta county so far this year, with five from the city of Escanaba and two from Gladstone.

Of the eight cases, one in the city of Escanaba terminated fatally. All of the cases have been among young people with the exception of the latest, that of Rev. Friberg.

## Armed Services Told To Cut Out Their Quarreling

(Continued from Page One)

staff left off yesterday in replying to Navy-Marine charges.

The usually mild-spoken Bradley, war hero and chairman of the joint chiefs of staff, blasted away bitterly at the Navy yesterday for not accepting the decisions of top military authority established under the unification law.

He used acid language, although in calm tones, in speaking of "open rebellion" and declaring that the public airing of Navy grievances had done "infinite harm" to national security.

Although Congress packed up and went home last night, most members of the committee stayed on to finish up the sensational-packed hearing, now more than two weeks old.

Chairman Vinson (D-Ga.) has called Gen. George C. Marshall, wartime chief of staff, and Gen. Mark Clark, chief of Army ground forces, for tomorrow. He expects the committee to conclude on Saturday with former President Herbert Hoover—if he wishes to be heard—and Secretary of Defense Johnson.

Bradley returned a point-by-point answer to navy charges yesterday, speaking with an air of cold anger. A sober committee listened in complete silence.

It was one of the strongest public statements ever issued by the mild-mannered general.

He referred scornfully to "self-appointed" martyrs, and he called for "some retraction" of navy insinuations and allegations against the joint chiefs of staff.

And, biting off his words grimly, he called on the Armed Services to stop bickering and get on with the job at hand—"a very big and very important job."

In summing up his 51-page statement, he left no doubt where he stood:

"This is no time for fancy Dans who won't hit the line with all they have on every play, unless they can call the signals. Each player on this team—whether he shines in the spotlight or the back-field or eats dirt in the line—must be an all-American."

"I believe that the public hearings of the grievances of a few officers who will not accept the decisions of the authorities established by law, and charges as to our poor state of preparedness, have done infinite harm to our national defense, our position of leadership in world affairs, the position of our national policy, and the confidence of the people in their government."

## Premier Designate Chosen In France

Paris, Oct. 20 (P)—The National assembly was expected today to confirm Rene Mayer as premier—thereby handing him the task of solving France's complex wage-price crisis.

Mayer, 54, is a political moderate with a big business background. Parliamentary observers estimate he will win from 20 to 40 more votes than the necessary 310.

He was the second premier-designate to face the assembly within a week. Jules Moch, a Socialist, received assembly approval with only one vote to spare last Friday but was unable to form a cabinet.

President Vincent Auriol then called on Mayer, who apparently has received assurances of support from right-wing groups that refused to back Moch.

## Onslow To Stay As White Sox Manager

New York, Oct. 20 (P)—The Washington Senators and Chicago White Sox are managerially set for next season and the Cincinnati Reds probably will have a successor to Bucky Walters within a week.

The Senators yesterday named Bucky Harris, who twice previously had been fired as Washington skipper, to handle the club's reins for the next three years. He succeeded Joe Kuhel.

At the same time, Charles Comiskey II, vice president, announced in Chicago that Jack Onslow would be back as manager of the White Sox.

## Schedule Road Millage Vote In Delta Nov. 10

In compliance with a recent action of the Delta county board of supervisors, the people of the county will have placed before them in a special election to be held Thursday, Nov. 10, a proposal to raise 2 mills a year for five years for county road purposes.

The board of supervisors unanimously adopted the resolution as recommended by its roads and bridges committee, requesting the board to place the question of providing local road funds before the

people for a vote.

At the present time no part of the real estate tax in Delta county goes to support the county road program. The road funds received by the county road commission come from a gasoline and auto weight tax receipts, collected and distributed by the state.

The proposal to be placed before Delta county voters will be as follows:

Small 2 mills be raised for the reconstruction, construction, and maintenance of the Delta county road system, with the tax to begin in 1950 and remain in effect for five years, and the funds derived from said tax to be placed in a separate fund and administered by the road commission.

Voters will mark their ballots "yes" or "no" on the question.

All qualified electors may vote on the proposal, and registration dates will be announced when qualified but unregistered voters may register with the clerk of their township or city.

The 2 mills special road tax will bring revenue to the road commission estimated at \$55,000 annually if the proposal is approved.

This additional revenue will make it possible for the road commission to match federal aid grants for the improvement of main county roads, amounting to about \$31,000 a year.

The resolution adopted by the board of supervisors, placing the question of 2 mill special road levy on a ballot for a vote of the people, cited that the road commission does not now have sufficient annual income to adequately maintain and service the existing local road system.

Improvement of the county road system will assist the county as a whole, it was pointed out, since both rural and urban communities are dependent upon a free flow of traffic along our many miles of mail, milk, school bus, and farm to market routes.

## Gales Pound Ships On North Atlantic

New York, Oct. 20 (P)—Two gales pounded shipping on the north Atlantic for the fourth straight day today, and storm-damaged cripples began limping to port.

The three worst-battered ships were the French freighter Caen, the tanker John H. Marion and the Greek freighter Matheos.

The 7,176-ton Caen neared Philadelphia under tow by the tug Marion Moran after three days of wallowing without engine power following a propeller accident.

The damaged tanker Marion, with one seaman dead, was heading for the Nantucket lightship en route to Baltimore. The Marion reported herself 230 miles east of Nantucket this morning, making 10 knots and in no danger.

Waves swept over the ship and stripped away her lifeboats and radio antenna and wrecked a deckhouse. She was using an emergency radio to communicate.

## THE ESCANABA (MICH.) DAILY PRESS

## Guards Get Pay Increase

### Recruiting Drive Is Underway

All personnel of Company C, Delta county National Guard unit quartered in Escanaba, will receive an immediate increase in training pay under provisions of the army pay bill recently passed by congress as the "Career Compensation Act of 1949," it was announced here today.

A National Guard recruit will receive \$2.66 for each drill period. Other grades will receive the following pay for each armory drill: private, \$2.75; private first class, \$3.65; corporal, \$3.92; sergeant, \$4.65; sergeant first class, \$5.62; master sergeant, \$6.61.

These are basic rates, it was pointed out. Additional pay is received on the basis of length of service.

### Rating Vacancies

A National Guard recruiting drive is underway, and the announcement of additional pay will serve as an inducement for enlistments. An effort is underway to enlist 1,000 more recruits in Michigan before November when it is expected that restrictions will be placed on recruiting.

The strength of Company C is 84, and it is hoped to boost it to at least 100. Many rating vacancies exist, ratings which should, it was emphasized, appeal to veterans of World War II. If a vacancy exists in the table of organization, veterans may be enlisted in the rating held at time of discharge.

### Meet Once A Week

Veterans and other men between 17 and 35 are invited to look the company over at the weekly drills. Drills are held every Wednesday night from 7:30 to 9:30.

The Escanaba Armory is located at 400 North 23rd street, and the telephone number is 1392.

Sergeants Vernon Rousseau and LeRoy Erickson are on fulltime duty at the armory from 8 a.m. to 5 p.m. Mondays through Fridays and may be contacted there by anyone desiring information about the Guard.

### Killed By Propeller

Pensacola, Fla., Oct. 20 (P)—A 20-year-old advanced flight student stepped into the path of a moving airplane and was killed by its propeller here yesterday.

The Navy said today Midshipman Edward Antony Steinger, III, Gary, Ind., was fatally injured at Bronson Field, a Pensacola Naval Air Station auxiliary.

The damaged tanker Marion, with one seaman dead, was heading for the Nantucket lightship en route to Baltimore. The Marion reported herself 230 miles east of Nantucket this morning, making 10 knots and in no danger.

Waves swept over the ship and stripped away her lifeboats and radio antenna and wrecked a deckhouse. She was using an emergency radio to communicate.

## U. P. Winter Sports Meet

### Schrader To Speak At Niagara

Escanaba will be represented at a meeting of the Upper Peninsula Winter Sports council to be held in Niagara, Wis., Saturday.

Walt Schrader, former athletic director of Kingsford high school and now secretary of the Iron Mountain-Kingsford Chamber of Commerce, will be the speaker.

The child received severe lacerations of the scalp, a concussion of the brain, and a possible fracture of the skull. Despite her injuries she is conscious today and her condition was described as "fairly good" in St. Francis hospital.

The accident occurred when the child accidentally opened the door of the moving car and fell out.

The car was driven by an older daughter of the Goods.

## Bark River Child Seriously Injured In Fall From Auto

Karen Good, six-year-old daughter of Mr. and Mrs. Chester Good of Bark River Rd. 2, was seriously injured about 8 o'clock last night when she fell from a car onto the highway between Harris and Bark River.

The child received severe lacerations of the scalp, a concussion of the brain, and a possible fracture of the skull. Despite her injuries she is conscious today and her condition was described as "fairly good" in St. Francis hospital.

The accident occurred when the child accidentally opened the door of the moving car and fell out.

## WOMAN'S PAGE

FASHIONS —  
ACTIVITIES

### Triennial Reports Will Be Given Auxiliary Units

During the week of October 24, the Woman's Auxiliary units of the Episcopal diocese of Northern Michigan will hear reports of its delegates to the Triennial Convention of the church held recently in San Francisco.

Meetings have been arranged in the five districts of the diocese, and there will be reports of the General Convention and of the Woman's Auxiliary.

The schedule follows:

Oct. 24—District 3, in Houghton, a luncheon meeting, 12:15 p.m.

Oct. 25—District 4, in Crystal Falls, luncheon meeting, 1:00 p.m.

Oct. 26—District 2, in Marquette, 2:15 p.m.

Oct. 27—District 5, in Manistique, luncheon meeting, 12:30 p.m.

Oct. 28—District 1, in Sault Ste. Marie, 2:15 p.m.

The Rt. Rev. Herman R. Page, D.D., bishop of the diocese of Northern Michigan, and Mrs. W. P. Chamberlain, Marquette, president of the diocesan Woman's Auxiliary, will attend all meetings, as will Mrs. Ralph McBain, Sault Ste. Marie, and Mrs. F. D. Seeger, Houghton. Others who will speak at meetings in their immediate districts include the Rev. Carl G. Ziegler, D.D., Ishpeming; James Robertson, Sault Ste. Marie, and George Drew, Ishpeming.

### District Luther League Rally At Rapid River

Calvary Lutheran church of Rapid River will host organization at the fall rally of the Green Bay District, Luther League, Sunday, October 23.

The main service will begin at 4:30 EST with Rev. T. L. Rydbeck of Marquette, vice president of the Superior Conference, the guest speaker. His theme will be "This Is Life Eternal." Included in the service will be special vocal music and a greeting from the district president, Clarence Nelson of Wallace.

Officers elected to serve with her are: Arthur Nelson, worthy patron; Mrs. Joseph Rouse, associate matron; Henry G. Olson, associate patron; Mrs. W. F. Kammeier, secretary; Mrs. Alpha Hansen, treasurer; Mrs. Thomas Meekan, conductress; Mrs. Floyd Anutta, associate conductress.

Other offices are appointive and will be named by the worthy matron.

Installation will be held Saturday evening, November 5.

### Nahma

#### Birth

Nahma, Mich.—A daughter, Mary Louise, weighing seven and one half pounds was born to Mr. and Mrs. Arthur Tardiff at the family home on October 17.

#### Sunday School Outing

Mrs. Leon Bingham took the Sunday school children to the beach last Saturday afternoon. Around a bonfire the children enjoyed a marshmallow roast.

#### Personals

Corp. Emanuel Tardiff, jr., of Camp Hood, Tex., is on a 20-day furlough with his wife and family here.

Mr. and Mrs. Arnold Camps and Mrs. Ed Camps of Stambaugh spent the weekend here at the Lloyd Camps home. The menfolk enjoyed some quite successful bird hunting.

### Hermansville

#### Speaker at Church

Hermansville, Mich.—Dr. Harold M. Hilliard, former missionary of New Mexico was the guest speaker at the M. E. church Monday evening. The meeting was well attended. Refreshments were served after the meeting by the Sunday school teachers.

#### Girls Take Gym

About 25-30 girls of the Hermansville High school from the 9th grade through the 12th grade are now taking physical education. Classes are held in the gym in the afternoons on Wednesdays and Fridays. The girls are very interested. The instructor is Robert P. Tacker, teacher at the Hermansville High school.

#### Personals

Mrs. Cynthia Hintz of Waude-dah spent Saturday and Sunday at the home of her grandparents, Mr. and Mrs. William Anderson.

### Births

Mr. and Mrs. Clifford Moore, 2005 Fifth avenue north, are the parents of a son, their second child, born October 18 at St. Francis hospital. The baby weighed six pounds and nine ounces.

### Church Events

**Central Choir**  
The senior choir of Central Methodist church meets for rehearsals this evening at 7:30.

Tin cans are planted in the ground to furnish iron for growing vegetables in Guam.

### Personal News

Mr. and Mrs. Francis Gudwer and son, John, have returned from a visit in Oconto, Wis., with Mr. Gudwer's grandparents, Mr. and Mrs. Ramel Bunker.

Miss Ann Hughes of the Escanaba senior high school faculty left last night for Fond du Lac, Wis., called by the death of her sister.

Irene Marchand of New York City is visiting here with her mother, Mrs. Delma Marchand, 512 South 14th street.

Chief Warrant Officer Maynard E. Lee has arrived from Tokyo, Japan, to visit his wife and daughter, Virginia, who are making their home with her parents, Mr. and Mrs. William Edstrom at Fox.

After a few days in this vicinity the Lees will motor to Knoxville, Tenn., to visit their son-in-law and daughter, Mr. and Mrs. John McLemore and on his way to the west coast to return to Japan. Mr. Lee will visit with a sister and brother in Tulsa, Okla. He has six more months of Army service in Japan and then will return to this country.

Bert Lundblad, stage and traffic manager of the Ice Follies, stopped in Escanaba yesterday while enroute from Chicago to Minneapolis, where he will visit his father. Mr. Lundblad was employed with the Greyhound Lines at Escanaba several years ago.

Mr. and Mrs. Robert J. Holt, 325 South 17th street, returned this morning from Chicago where they attended the funeral services held Wednesday afternoon for Mr. Holt's mother, Mrs. John W. Holt.

Mrs. M. J. Ryan of Manitowoc, Wis., is visiting here at the Ryan family home, 429 South 8th street.

The next in this series of lectures will be given by Father Arnold Thompson on November 2. The public is welcome to attend.

"So we conclude to the definition of the church as that collection of men who profess the same faith, enjoy the same means of sanctification, united under their apostolic pastors, constituting the Kingdom of God on Earth."

The next in this series of lectures will be given by Father Arnold Thompson on November 2. The public is welcome to attend.

Five new members were received into the club. Hostesses were Hella Niemi and Ruth Kaukola. The next meeting at which the lesson will be making aluminum and copper trays will be held at the Williams Niemi home November 8 at 7:30 with Hella Niemi and Ruth Kaukola project leaders and Mrs. Niemi and Mrs. John Savola, jr., hostesses.

The schedule is: Nadeau, October 25-26 at 8 p.m. and Sunday, October 30, at 11 a.m.; Wilson, at Mrs. Keshick's home at 2:45, EST; Powers at the Spalding township hall October 30-November 3, at 7:45.

The speaker will be Rev. W. J. McNaughton of Minneapolis, evangelist and Bible teacher in the middle west who is enroute to Toronto.

Women first appeared as professional dancers on the French stage in the 17th century.

DAILY PRESS BLDG.  
111 Cedar Street**Resort Owner  
Addresses MWC  
Gives New Twist To  
Meal Preparation**

Phil DeGraff, operator of a Trout Lake resort which is noted for its cuisine, put a new twist into the old-art of getting those "three meals a day" when he spoke to the Manistique Women's Club at their regular meeting, Tuesday Oct. 18, at the Lakeside school.

The jocular gourmet, delighted his audience with his informal discourse on proper preparation and cooking of fish, meat, soup, mixes and coffee. The epicure concluded his informative remarks with the following personal motto: "There is no shortcut to good cooking."

Miss Janet Dixner, talented 15-year-old high school student, played two well-rendered accordian solos, "Anniversary Song" and "Sparkling" by Minnie Cere. Club members were not only impressed with the young musician's ability but also with her stage poise.

During the business session, it was voted to sponsor a boy to the Older Boys' Conference which will be held at Ishpeming, Nov. 4-5.

Mrs. Kenneth VanEck gave an informative and complete report of the Student Loan committee, of which she is a member. The report contained the financial standing of the committee, the objectives and purposes of said group and the revised rules governing the use of these funds.

Mrs. Carl Anderson was appointed chairman of the Infantile Paralysis drive which will be undertaken by the Manistique Women's Club this year.

Tea was later served by the following hostesses: Mesdames Vern Linderoth, Peter Babladelis, Ernest Branch, F. N. Cookson, J. Herbert, Robert Slining and Lottie Woolford. Mrs. Howard Holland was chairman.

**Briefly Told**

Sportsmen's Club—There will be a regular meeting of the Sportsmen's club at the club house this evening at 8 o'clock. Refreshments and pictures. Plans for turkey shoot Nov. 13 to be discussed.

Card Party—The Thompson Community club will hold a card party this evening at 8 in the Thompson school.

Excluding the Presidents who were assassinated, three U. S. presidents have died in office.

Distribution of Congressional districts is made every ten years when the Federal Census is taken.

**Mrs. Vesta Fyvie  
Is Installed OES  
Worthy Matron**

A mother, installing her daughter as worthy matron, added to the impressiveness of the beautiful ceremony in which Mrs. Vesta Fyvie as worthy matron, and her retinue of elected and appointed officers, were vested with the jewels of their office at a special meeting of Ida Chapter No. 54, Order of Eastern Star, Tuesday evening.

Mrs. Addie Case, of Grand Ledge, mother of Mrs. Fyvie, assumed the station in the east designated to the one doing the installing. As past worthy matron of Grand Ledge Chapter, OES she was qualified for the honor.

Assisting with the installing were Mrs. Ruby Nicholson, matron; Mrs. Isabelle Shaw, assistant matron; Mrs. Hildred Taylor, Martha; Mrs. Myrtle Allert, Electa Mrs. Adele Graham, warden; Leslie Graham, sentinel. Mrs. Elva Young, who is to serve as Ada was unable to be present and will be installed at the next regular meeting.

At the conclusion of the installing ceremony the officers

marched before the worthy matron's station, each presenting her with an American beauty rose to form a bouquet.

During the ceremony, as each officer elect appeared before the alter for installation, the assistant marshall marched ahead and lit a candle at his or her station and the new officer was escorted there after the charge had been completed. All of the women in the new officer group wore white formal and had corsage bouquets, the flowers being provided by the incoming worthy matron.

Those installed were: Mrs. Fyvie, worthy matron; Ian Winn, worthy patron; Mrs. Bertha Robertson, associate matron; George Stephenson, associate patron; Mrs. Jeanette Winn, secretary; Mrs. Mary Leonard, treasurer; Mrs. Alice Lowell, conductress; Mrs. Mary Thorp, associate conductress; Mrs. Viola Crawford, chaplain; Mrs. Leona Wilde, organist; Mrs. Grace MacDonald, marshall; Miss Helen Pool, Ruth; Mrs. Jean Lustilla, Esther; Mrs. Marion Hewitt, Martha; Mrs. Myrtle Allert, Electa Mrs. Adele Graham, warden; Leslie Graham, sentinel. Mrs. Elva Young, who is to serve as Ada was unable to be present and will be installed at the next regular meeting.

Mrs. Fyvie announced just before the conclusion of the session that on the next regular meeting night, November 5, the chapter would observe the sixtieth anniversary of its institution.

Refreshments and a social hour followed the session.

Short cuts in harvesting methods are the fashion in farm machinery, as in "combines" that thresh grains as they cut it. The latest device, mounted direct on a tractor, picks up loose hay off the field and bales it as it moves along.

**Social****Extension Club**

Members of the Handy Hands Extension club held their regular meeting recently at the home of Mrs. Rueben Peters, 201 Pearl street.

A brief business meeting was conducted by the chairman, Mrs. John Olsen. Group singing followed after which the afternoon was devoted to copying and cutting patterns, preparatory work for the "Christmas Workshop" lesson which will be given early this year to enable members to prepare their gifts early.

Members present were Mesdames Henry Archey, William Belleville, Ed Ekdahl, Emery Rieckhoff, Ole Edwardson, Fred Davis, Jr., Harvey Pierce, Leo Popour, Rueben Peterson, William Maxwell, Gerard Deloria, John Olsen, Clinton Larson, Matilda McPhail and Richard Popour. Mrs. Frank Sablack was a guest.

The club is restricted to those of high school age, and under the age of 21. Dances will be scheduled every Friday night for this set.

Registration and cards will be issued to every one attending the first party, which in its essence will be a Hallowe'en Party on Friday October 28th.

Dancing will begin at 9 p. m. Ice

**KCs Sponsoring  
Teen Age Club****Will Hold Weekly  
Supervised Parties**

The Manistique Council Knights of Columbus is organizing and sponsoring a teen-ager's club for the younger set of Manistique and its vicinity.

The club is restricted to those of high school age, and under the age of 21. Dances will be scheduled every Friday night for this set.

Registration and cards will be issued to every one attending the first party, which in its essence will be a Hallowe'en Party on Friday October 28th.

Dancing will begin at 9 p. m. Ice

cream novelties, soft drinks, popcorn etc., will be offered. Strict supervision will be available. Any one who is found misusing the privilege, or makes any attempt to abuse the property, their cards will be revoked, and they will no longer enjoy the privilege of the Swing Kings.

A small admission fee will be charged to help defray the expense, but the thought in mind is primarily to provide a place for clean and invigorating amusement for the younger set. Music for the first party will be furnished by the Swing Kings.

**Charles Hancock Scores 49 In One Hand Of Cribbage**

A 29 hand in cribbage is about the equivalent of a hole in one in golf. At least Charles Hancock got about the same thrill when he dealt himself three fives and a jack of spades and when the cut came face up it was a five of spades.

The incident happened at the Masonic hall Tuesday evening when during the lull between the Eastern Star installation ceremony and the refreshment hour, a group of men sat down to play cribbage. In the set with Mr. Hancock were Willard Bollitho, A. C. Allert and A. L. LaVigne.

The comedy, which features all local talent, is sponsored by the Manistique VFW and its auxiliary.

there were four kings staring at him. Twenty points more.

The winners: Hancock and Allert!

## Pro Grid Loop Rivalry Called 'Silly, Stupid'

New York, Oct. 20 (AP)—Football's rivalry is "silly" and stupid and should be stopped at once," Commissioner O. O. (Scrappy) Kessing of the All-American Conference said today.

He had been asked for comment on the statement made by Elmer Layden, former commissioner of the National Football League, that the two groups get together. It was Layden who once told the All-American circuit to "go to get a football" before talking of smoothing out their differences.

In Philadelphia Bert Bell, now the National's boss, commented only that "Layden is entitled to his opinion now just as he was before." Bell added he had no comment of his own.

The first climax of the 1949 season in the four-year battle-for-the-buck is scheduled Sunday when the National offers the New York Giants against the Chicago Bears at the Polo grounds. A mile away in Yankee stadium the New York Yankees play the San Francisco 49ers, current AAFC leaders.

## New Faces In 'Stique II For Marquette Tilt

Manistique, Oct. 20—John Viergever, Manistique Emerald coach, announces there will be a number of changes in the starting lineup when his team meets Graverat of Marquette under the lights there Friday evening.

This action, he says, is not so

## St. Joe Host To Munising Saturday Night For Little Brown Jug Battle

### Irish Can't Win This Week---They Don't Play!!

Chicago, Oct. 20 (AP)—Another dispatch from the department of football confusion:

This is one Saturday Notre Dame won't win. It doesn't play.

**Minnesota 19, Michigan 13**—The unbeaten Gophers could be ripe for an upset, except that Bernie Bierman is not a coach to exude over-confidence. Minnesota has waited a long time for Michigan to be cut down to size.

Without a Rifenburg to "double-dribble" to victory, Wolverine passing won't scare the Gophers.

**Wisconsin 21, Ohio State 20**—If the Buckeyes were as bruised by Minnesota as they claim, the snappy Badgers will improve

their role as the surprise team of the Big Ten, if not the nation. Wisconsin displayed a brilliant pass defense against Navy, and passing is Ohio's chief threat.

**Illinois 13, Purdue 13**—Well, we beat Pitt should hand the Hoosiers their fifth straight loss. The Panthers won't find Indiana as soft a touch as they may expect. However, Pitt's Lou Cecconi and Jimmie Robinson rank among the nation's best backs.

**Pittsburgh 19, Indiana 13**—Unbeaten Pitt should hand the Hoosiers their first tie of the season between two clubs which have running attacks that go everywhere except over the goal line. If Purdue's Szulski and Illinois' Karras are in form, the fans at Lafayette will see some sharp scooting.

**Northwestern 27, Iowa 20**—Don

Spartans' quarterbacking against Michigan finally brought the Spartans up to their Rose Bowl championship form. Still over-

due is fullback Art Murakowski and he may pop against the Hawkeyes. Iowa still has to keep in mind Minnesota and Notre Dame lurking ahead.

**Pittsburgh 19, Indiana 13**—Unbeaten Pitt should hand the Hoosiers their fifth straight loss. The Panthers won't find Indiana as soft a touch as they may expect. However, Pitt's Lou Cecconi and Jimmie Robinson rank among the nation's best backs.

**Michigan State 14, Penn State 7**—This will be tough one for the Spartans with their quarterback department crippled. But they still have Lynn Chandnois to gallop.

**Michigan State 24, Iowa 20**—Don

Spartans' quarterbacking against Michigan finally brought the Spartans up to their Rose Bowl championship form. Still over-

due is fullback Art Murakowski and he may pop against the Hawkeyes. Iowa still has to keep in mind Minnesota and Notre Dame lurking ahead.
